*ariessence is marketed as a cosmetic product and is not intended for any therapeutic use.

ariessence pure PDGF+ is a potent, cutting-edge, topical, post-procedural enhancement that provides patients with naturally beautiful and healthier skin.

Say hello to **CATIESSENCE** pure PDGF⁺

powered by **PDGF**, a potent growth factor that's transforming the landscape of skincare and natural health.

PDGF is naturally occurring —it's pure— It eliminates the purity risk of exosomes on microneedled or laser treated skin.

In aesthetic rejuvenation, no other product comes close!
